

Activity Name: “Hidden tales”

SDG focus: SDG 17

Aims

- To identify the main character in fairy known tales.
- To assimilate them as basic in narrative discourse.
- To locate verbs in a text.
- To identify simple past verbs in a text and associate them with a past time.
- To raise awareness on SDG based on the topic of the tale.

Language focus

- Comprehension of characters and plots.
- Simple past uses.

Level: A2

Age: 12-13

Time: 10 minutes

Preparation

- Photocopies with the activities.

Procedure

1. Read the plot and guess the name of the tale.

1. _____ A girl with a very big vision problem meets a wolf in the middle of the forest. The wolf runs into her grandmother’s house and takes her place. The girl doesn’t realize her grandmother in bed is a wolf and starts asking her questions. The wolf plans to eat them. Finally, a hunter arrives and help them to escape.

2. _____ A grey little duck with a very dysfunctional and emotional problem lives in a lake and feels unhappy because his appearance is different from his family and friends. Fortunately, he discovers what he really is and feels free to live his life.

- Which is the main character in each one of the tales? Where does the action take place?
- Locate the main characters in the text and highlight them with the colour blue.
- Locate the verbs in the text and highlight them with the colour green.
- Write the names of the characters and the verbs in the right column.

Characters

Actions (verbs)
